**3 WAYS
TO
SAVE**

Want to Do More Blocks?

Drop your disposable pumps and do more, but don't pay more, with InfuSystem's InfuBlock service.

Save 50% off your pump costs, guaranteed, and receive all of InfuBLOCK available services.

This includes daily patient monitoring, secure access to patient data online with our BlockPain Dashboard, electronic infusion pumps certified for accuracy, our 24/7 pump support hotline answering the calls that currently wake YOU up in the middle of the night, and more!
