CLINICAL TRIALS

National Cancer Institute

The National Cancer Institute offers educational materials about clinical trials, a database of trials accepting participants, information on trial results and more.

<http://www.cancer.gov/clinicaltrials>

Cancer Information Service (CIS) at 1-800-4-CANCER

ClinicalTrials.gov

ClinicalTrials.gov is a registry of federally and privately supported clinical trials conducted in the United States and around the world. ClinicalTrials.gov gives you information about a trial's purpose, who may participate, locations, and phone numbers for more details. <http://clinicaltrials.gov>

American Cancer Society

The American Cancer Society Clinical Trials Matching Service is a free, confidential program that helps patients, their families and health care workers find clinical trials most appropriate to a patient's medical and personal situation.

PATIENT ASSISTANCE PROGRAMS

The Partnership for Prescription Assistance

The Partnership for Prescription Assistance brings together America's pharmaceutical companies, doctors, other health care providers, patient advocacy organizations and community groups to help qualifying patients who lack prescription coverage get the medicines they need through the public or private program that's right for them.

<https://www.pparx.org>

RxAssist Patient Assistance Program Center

RxAssist offers a comprehensive database of patient assistance programs, as well as practical tools, news, and articles so that health care professionals and patients can find the information they need. All in one place. Sponsored by AstraZeneca.

<http://www.rxassist.org/>

Pfizer Helpful Answers

Pfizer Helpful Answers offers patient assistance programs to people without prescription coverage. These programs provide: Savings on Pfizer medicines, regardless of age or income; or Free Pfizer medicines for people with limited incomes who qualify.
