Clinical Trials:

National Cancer Institute

The National Cancer Institute offers educational materials about clinical trials, a database of trials accepting participants, information on trial results and more.

Cancer Information Service (CIS) at 1-800-4-CANCER
www.cancer.gov/clinicaltrials

ClinicalTrials.gov

ClinicalTrials.gov is a registry of federally and privately supported clinical trials conducted in the United States and around the world. ClinicalTrials.gov gives you information about a trial's purpose, who may participate, locations, and phone numbers for more details.
www.clinicaltrials.gov

American Cancer Society

The American Cancer Society Clinical Trials Matching Service is a free, confidential program that helps patients, their families and health care workers find clinical trials most appropriate to a patient's medical and personal situation.
