

InfuSystem: Who We Are

Services and Solutions Facilitating Outpatient Care

"The patient is at the center of everything we do as a company."

- Richard DiIorio, CEO

We provide exceptional services, products and people; improving access to quality medical equipment at more than 6,500 sites of care.

We partner with providers to improve quality of life, while improving patient satisfaction and outcomes at home.

- Founded in 1988
- Headquartered in Rochester Hills, MI
- 300+ employees with six offices serving all 50 states and Canada

Nationwide, InfuSystem is a participating provider for nearly 1,300 insurance payers and third-party claims administrators accessing our 'in-network' services through over 675 payer network contracts.
