SLEEP IN COMFORT

PoppyPocket promises to provide a better nights sleep free of tangled infusion tubes or wires

The discreet, comfortable way to carry your infusion pump

- No Tangled Tubes or Wires
- No Bulky Pouches or Pads
- Doctor Endorsed

InfuSystem, the leading provider of infusion pumps to oncologist and other outpatient treatment centers, provides PoppyPocket as a pouch alternative. PoppyPocket can be used in place of a traditional pump pouch and is available to patients receiving treatment on a InfuSystem infusion pump.
